

Scholars Program Activity Sheet

As you know, one of the criteria of the Scholars Program is that all scholars must join and participate in two or more campus clubs/organizations or activities. Please complete this form printing your name, the date, the clubs/organizations and/or activities (musical, pageants, etc) to which you belong, and the current activities/projects your club is performing. Also, if you hold an office in the organization, add that information to your list. Please return the completed form to the Enrollment/Retention Center by October 22, 2015.
