Filing for FAFSA

Oklahoma Residents Need to File the 2016-2017 FAFSA by March 1, 2016, to Meet the OTAG Deadline!

If you and/or your parents cannot file 2015 federal taxes by the OTAG deadline of March 1, 2016, go ahead and complete the application by selecting "Will File" and by using 2016 W2s or by estimating from last year's tax form. The application will not be complete until you can update it with the 2016 tax information, but it will get the application in the system to meet the OTAG deadline.

Please remember that you will need to setup the FSA ID and password to electronically file the FAFSA application. The FAFSA PIN became obsolete in May 2015. You will need a valid email address and access to the email via phone, computer, etc. to verify the email address during the FSA ID process.

If you have questions visit the EOC office in the Ollie Center on the Poteau campus or in the Mayo Centre on the Sallisaw campus.
